THREE-ENGINE ARCHITECTURE

Engine	Tool	Role
Core + Pipeline	JobNimbus	All pipelines, lead intake, estimates, contracts (TBD), scheduling, SMS/email, crew
Shop / Production	Paradigm ERP	Rollforming, production, inventory, supply-only fulfillment, B2B portal. $10,800 CAD setup + ~$673/mo.
Field Forms	NaturalForms	10 of 12 form types. GPS-stamped, offline capable, conditional logic. ~$21 CAD/user/mo.

Make.com bridges all three engines (8 scenarios). Custom Proposal Tool = standalone HTML build with Renoworks 3D embed + dynamic pricing, distinct from Contract.
